Bladen Community College and Fayetteville State University are happy to offer students the opportunity to complete their four-year degrees on the BCC campus as FSU students. Both Criminal Justice and Elementary Education programs are offered. An FSU representative will be on the BCC campus weekly to assist students with applications, registration, and scheduling to make a seamless transition possible. For appointments, questions or information, contact Darnette Hall at 910.672.1495.

SPRING 2010 SCHEDULE:

Education program classes for 8-week sessions are offered 6-8:50 p.m. on Tuesday and Thursday evenings.

**SWRK 220
SWRK 230**

FSU education classes (EDUC) available on the BCC campus are noted on the FSU web site. Students are responsible for registration through FSU.

Other Programs Available at BCC

Bladen Community College and other Community Colleges have joined forces to enable BCC students to complete degrees in several programs without leaving BCC. Students may dually enroll at both BCC and the partner college to complete certificates, diplomas and degrees in exciting career fields not previously available to BCC students. Prerequisite classes must be completed to enter the program classes. Programs include:

Accounting

Hotel and Restaurant Management

Human Resource Management

Paralegal

All partner-college classes are available online. Other classes in these programs are offered either on the BCC campus or in distance format. Students who need more information about these programs and getting started in them should contact Ann Russell at 910.879.5526 or email arussell@bladencc.edu.
