A discussion followed regarding trustee attendance. Ms. Andrews stated that the topic was up for discussion and asked if a policy was in place to deal with this type of situation. Mr. Troy stated that it is an issue that would need to be addressed going forward, not necessarily at the present time. Mr. Troy asked Mr. Grady about this. Mr. Grady stated that the board does not have the power to make such a decision. Dr. Gemma stated that he has read the BCC trustee by-laws that reference the State Statute which state that the seat of a trustee may be declared vacant if a trustee misses three consecutive meetings without just cause. The statements are listed as follows:

Bladen Community College Trustee By-Laws, Article I, Responsibility and Membership, Section 2 (E), Membership, that states, “Members of the Board of Trustees may be removed by the Board of Trustees for cause in accordance with the General Statutes of NC, Chapter 115D-19.

Section 115D-19(b) of the Community College Laws of North Carolina states that, “A board of trustees may declare vacant the office of a member who does not attend three consecutive, scheduled meetings without justifiable excuse.”

Mr. Grady replied that it would be necessary to provide due process to individuals so that they may give an explanation as to why they have been absent from meetings. Mr. Troy stated that more information regarding the matter should be gathered and discussed during an upcoming meeting. Dr. Gemma stated that the board could give the board secretary the power to send letters to any board member notifying them of three consecutive absences.

Dr. Gemma made the motion that a letter be sent to the two trustees who have missed three consecutive meetings asking that they provide justification for the absences. If justification is not provided in accordance with the Bladen Community College trustee by-laws and the Community College Laws of North Carolina, the board may declare
