**BLADEN COMMUNITY COLLEGE
ASSOCIATE DEGREE & PRACTICAL NURSING PROGRAMS**

ADMISSION POLICIES AND PROCEDURES

Bladen Community College subscribes to an “open door” admission policy. However, due to the complexity of health care, legal responsibilities of nursing practice, and required academic standards, there are selective admission criteria for the Associate Degree Nursing (ADN) and Practical Nursing (PN) programs. The ADN and PN programs adhere to the college policy of providing nondiscriminatory, inclusive access for all qualified applicants who meet these selective admission criteria. Successful applicants are admitted to the programs in the fall semester. Student applications will be processed only after all requirements have been met. All requirements must be completed prior to the application deadline in order to be considered for admission in the fall semester. The Associate Vice President of Student Services and staff are responsible for administering all admission policies.

The nursing applicant is responsible to ensure that all requirements are met by the established deadline of March 1, 2022.

Guidelines, policies, and deadlines apply equally to all applicants; thus, there can be no exceptions. All applicants to the Associate Degree and Practical Nursing Programs must complete the following:

1. **Admission Criteria** -Locate the Nursing Admission Criteria on the BCC home page www.bladenc.edu. Select “Menu,” then “Academics,” then “Health Sciences,” then “Practical Nursing” or “Associate Degree Nursing.” Scroll down to view “Downloads.”
2. **College Application**- Complete the college application process in the Office of Student Services or via the BCC website.
3. **Transcripts** - Submit *official* high school or high school equivalency transcript to the registrar’s office. In addition, applicants should also submit *official* college transcripts for any postsecondary courses completed. Student copies will not be accepted.
4. **Placement Test** - Complete placement testing evaluation process with student services.
5. **Counseling** - Consult with assigned Advisor or Advising Center for course advisement following completion of placement testing.

6. **Pre-requisites (items required *prior to admission*)** - Complete the following courses or their equivalents as determined by the Registrar.

BIO 110 or BIO 111 must be completed (even if BIO 168, BIO 169 have already been completed). High school equivalency biology or ED2GO classes will not be accepted. Transferred Biology courses must include a lab component and be equivalent in credit hours to BIO 110 or BIO 111 to fulfil this requirement.

- **Associate Degree Nursing**

1. *Nursing Assistant Level I Certification with current listing on the North Carolina Nurse Aide Registry, without substantiated findings by **May 20, 2022**.
NOTE: Applicant must complete the NA I course, testing, and be on the registry prior to the March 1 deadline, unless provisional for May 20, 2022.
2. ENG 095/DRE 098/RISE ENG 002 Tier 2 or an equivalent
3. MAT 143 or MAT 152 or MAT 171 with a grade of C or higher
4. *Biology 110 or 111 with a grade of C or higher- Must be taken **AFTER June 15, 2015**.

- **Practical Nursing**

1. *Nursing Assistant Level I Certification with current listing on the North Carolina Nurse Aide Registry, without substantiated findings by **May 20, 2022**.
NOTE: Applicant must complete the NA I course, testing, and be on the registry prior to the March 1 deadline, unless provisional for May 20, 2022.
2. ENG 095/DRE 098/RISE ENG 002 Tier 2 or an equivalent
3. MAT 143 or MAT 152 or MAT 171 with a grade of C or higher
4. *Biology 110 or 111 with a grade of C or higher- Must be taken **AFTER June 15, 2015**.

***Provisional Admission Opportunity**

Applicants must check "yes" for the "Are you a Provisional Student?" checkbox on the nursing application to be considered for provisional admission.

Applicants may be accepted under provisional admission provided applicants are on the **North Carolina Nurse Aide Registry**, without substantiated findings, and have completed **BIO 110 or BIO 111** with a C or higher by May 20, 2022.

Applicants failing to meet provisional admission requirements will not be accepted into the nursing programs.

7. **Nursing Entrance Test** – Complete the **Assessment Technologies Institute (ATI) Test of Essential Academic Skills (TEAS)**

- **Reading** – paragraph comprehension, passage comprehension, and inferences/conclusions (53 items, 64 minutes)
- **Math** – whole numbers, metric conversion, fractions, decimals, algebraic equations, percentages, and ratio/proportion (36 items, 54 minutes)
- **Science** –science reasoning, science knowledge, biology, chemistry, anatomy, physiology, and general science (53 items, 63 minutes)
- **English and Language Usage** – punctuation, grammar, sentence structure, contextual words, and spelling (28 items, 28 minutes)

Applicants must demonstrate a minimum comprehensive score of 58 on the ATI TEAS Test to be eligible for admission.

A total of four (4) TEAS scores will be considered for admission. Applicants are eligible to take one test and submit one TEAS score for each of the following time periods:

#	Period Beginning	Period Ending
1	March 1, 2020	December 31, 2020
2	January 1, 2021	June 30, 2021
3	July 1, 2021	December 31, 2021
4	January 1, 2022	March 1, 2022

Note: If a student attempts the TEAS test more than once in the aforementioned time periods, the TEAS test taken on the earliest date during the time period will be deemed the eligible score and will be used for the nursing admissions process. All other TEAS tests taken during the designated time period will be deemed invalid scores and will not be considered as part of the nursing admissions process.

The TEAS is paid for online, with a debit or credit card, prior to testing. Information regarding TEAS study resources, registration, and testing schedules can be found on the BCC website: Select “Menu,” then “Student Services,” then “Testing,” and then “TEAS.” For more information, contact Carlton Bryan, BCC Testing Director, (Building 8 Room 4) at cbryan@bladenc.edu or call (910) 879-5524.

Applicants taking the TEAS at other institutions must submit *official* records of their scores to the BCC Testing Director by March 1, 2022. Student copies will not be accepted.

8. **Nursing Program Application** -- Complete the nursing program application on the day the TEAS test is completed at BCC. If the TEAS test is completed at a testing site other than BCC, complete and submit the nursing program application directly to Student Services, to the attention of Ms. Linda McLean.

Applicants must be in good academic standing at the time of application and remain in good academic standing for the entirety of the nursing program.

9. **Information Session** -- Attend one information session to learn more about the nursing program admission process. Attendance is recommended but not mandatory for admission.

APPLICATION REVIEW AND SCORING PROCESS

Points are calculated and maintained in the Office of Student Services. A waiting list is not maintained from year to year; therefore, interested applicants must re-apply each year if not accepted in the nursing programs.

ACCEPTANCE TO THE PROGRAMS

- 1. Acceptance letters-** Acceptance letters, letters to alternates, and letters to those not accepted to the programs will be sent by **April 15, 2022**. In the event that any student selected declines acceptance, or fails to register during the designated registration period, alternates will be granted admission based upon their rank and the number of positions available.
- 2. Orientation-** Prior to the fall semester, applicants accepted to the ADN and PN Programs must attend a nursing program orientation at BCC in **May 2022**. Handbooks, policies and procedures, uniform and supply information, and other pertinent data will be discussed. Information regarding this orientation will be attached to the acceptance letter.
- 3. CPR and Health Evaluation Form-** Submit current health/physical form with proof of current immunizations, TB skin test, and documentation of an American Heart Association Healthcare Provider CPR certification by **July 1, 2022**. Applicants who fail to submit the required student records by the designated due date may forfeit their seat in the program. Accepted students will not be allowed to enter class until all student records are received. Please note CPR certification must be obtained through a seated course that includes a skills practice component.
- 4. Criminal Background Check and Drug Testing-** Be advised that clinical agencies require background checks and drug testing before a student may complete clinical in their facility. Clinical agencies reserve the right to deny any student access to a facility based on their criminal background or a positive drug test. *If access is denied to the clinical facility, the student will be unable to complete the requirements of the nursing program, which will result in immediate dismissal from the program.*
