Release of Information: The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. It does not allow Bladen Community College (BCC) to communicate with anyone regarding a student without the student's express permission. In order to ensure student success, it is suggested that students participating in the Career and College Promise Program (CCP) sign the below waiver. The waiver will grant BCC the right to communicate with the high school and parents/guardians of the high school student participants regarding student progress, grades, and attendance. I certify that the information I have given in this application is accurate to the best of my knowledge, and I agree to abide by the Standards of Student Conduct and observe all rules and regulations of BCC. I further agree to allow BCC to publish personal information pertaining to honor rolls, scholarships, news releases, and to use personal information in other publications normally considered to be that of a two-year college. All students enrolling in BCC shall be deemed to have agreed to publication of personal data as indicated above unless a Directory Information Disclaimer Form is filed with the Records & Registration Office by the 10th day of the semester in which the initial enrollment is made.

Student Certification: I have read, understand, and agree to the above Release of Information and student expectations.

Note: A parent/guardian will be asked to complete and sign a "permission to enroll" form as a supplement to the general admissions application for students under the age of 18.

Student Signature: _____ Date: ____/____/____
