## STUDENT TECHNOLOGY PORTAL

The myBCC Connect portal is home to BCC Email, Moodle, Self-Service, Aviso, Touchnet Payment, BCC Alert, UpSwing tutoring, and Password Reset. The portal allows access to most services through "single sign-in" capabilities; this means you sign in one time to access the services designed to help you achieve success!

**START HERE!**

Visit [www.bladencc.edu](http://www.bladencc.edu), then click on "myBCC Connect" or go directly to the myBCC Connect portal, [bladencc.sharepoint.com](http://bladencc.sharepoint.com)

Student's username is the first initial + middle initial + whole last name + birthday month and day. The zero must be placed as the first digit for months January - September. For example, if John M. Doe's birthday is January 4, 1996, his username is jmdoe0104 and his email is jmdoe0104@mymail.bladencc.edu (The email is used to "Sign in". The username will be used to reset the password.)

For faculty and staff, the "Sign in" is the first initial and the whole last name + @bladencc.edu

New BCC students are given a default password based on their last name and birthday. First two letters of the user's last name with the first letter capitalized and second letter in lowercase + two digit birth month + two digit birth day + two digit birth year.

In the example below, John Doe's password would be Do010496
